

UPLINK 'LTE 4 FREE' PROGRAM

Replace any three 2G/3G/CDMA units, get 1 LTE unit, FREE!

What is the *LTE 4 Free* Program?

The Uplink LTE 4 FREE program is designed to assist companies in transitioning their installed base of 2G, 3G, and/or CDMA Alarm Communicators and/or GPS Vehicle Trackers to Uplink LTE devices and services. **Several carriers are currently in the process of transitioning their networks away from 2G/3G/CDMA, so acting today could save you big headaches going forward!** Uplink units feature LTE (Long Term Evolution) technology and extended-life, multi-carrier operation for greater coverage with superior reliability.

How does the *LTE 4 Free* Program Work?

The program provides a *free cellular communicator or GPS Vehicle Tracker* to alarm companies that replace units from any supplier with Uplink LTE devices until Uplink discontinues the program. The *LTE 4 Free* Program provides dealers with new LTE units when replacing devices as follows: dealers replacing *three (3)* units with a new Uplink LTE unit will receive their choice of (1) 5500EZ or (1) LTE30EX or (1) GPSLTE Vehicle Tracker***.

How do I participate in the *LTE 4 Free* Program?

Just follow these simple Instructions:

Complete the order form

Step 1: You must deactivate the old units from service, remove the SIMs and attach them to the area indicated on page 2 of this form. Contact us for handling of CDMA units (as they do not have SIM cards).

Step 2: Replace the units with new Uplink LTE communicators purchased from any Uplink distributor and activate them on an Uplink service plan.

Step 3: Enter the 10-digit serial numbers of the Uplink LTE communicators on page 2 of this form. **Only Uplink LTE communicators activated on or after July 1, 2019 are eligible for this program.**

Step 4: Select the model of your free Uplink LTE communicator that best meets your customer's needs. Use one (1) form for each FREE Uplink LTE cellular communicator. **There is no limit to the number of forms you can submit during the Program!**

Submit the form

Complete all information, ensuring the SIMs are attached to get the FREE unit and mail to Uplink at:

**Uplink Security
LTE 4 FREE Program
400 Interstate North Pkwy, Suite 900
Atlanta, GA. 30339**

Receive your shipment of new Uplink LTE communicators

The free LTE communicators will be shipped to the street address provided on the order form. No PO boxes.

Uplink LTE for FREE Program Order Form

Please fill out form completely to receive your FREE Uplink LTE Alarm Communicator or GPS Vehicle Tracker.

Dealer/Company Name: _____
